BOARD POSITIONS and VOLUNTEER OPPORTUNITIES

John Campbell

The Board of Director's is seeking two members to fill open Board positions including the Presidency. The Board meets monthly for about two hours. When issues come up that need more information, we generally ask Board members to investigate and report back at the next meeting. We are open to any current club member to serve as president; however, we are hoping that one of our younger club members will take the position. We are trying to build our membership base and a

younger member might be able to help us identify and attract younger bicycle enthusiasts.

Another need is for a picnic coordinator. This year we have planned our summer picnic for July at Prospect Park in Wheatridge. The coordinator would be responsible for getting volunteers to help with the preparation, serving and clean up.

If you are interested in becoming more involved or would like to help with the picnic, please contact me, John Campbell, at 303-797-0250.

Using the New Social Media

Patty Gaspar
Ridecoordinator@dbtc.org

DBTC has a great website. We have had both the Colorado Bicyclist Yahoo group and the COMtnbikers Yahoo group for several years. We have a Facebook page and now are on MeetUp. In addition we have the newsletter emailed to many of our members. However, sometimes electronic missives are skimmed or not read. A couple of suggestions:

- Print your newsletter so you have it to check when you want to go on a ride and avoid losing it in your in-box.
- Take a few minutes when your newsletter arrives to put the rides you might want to do into your calendar.
- While you are at it, contact your ride coordinator to let him or her know what dates you'd like to lead a ride next month.
- If there is an open spot in the schedule for the current month and you would like to fill it, you can post it on the yahoo group. See the newsletter for details about how to get credit.
- If you are leading a ride that is on the schedule, send a reminder through the Yahoo group or post it on MeetUp.

The MeetUp listing for DBTC is new, and we are just learning how to make best use of it. It has some very nice features, but not everyone has signed up. Therefore, please post on the Yahoo group as well. We will be evaluating Meetup over the course of this year so please give me your feedback about how you like it or what you don't like. I was going to start a weekly notice of upcoming rides, but I don't want to jam your email boxes with club information. Our yahoo groups are carefully monitored so that only messages about activities from club members reach you. When a ride is on both Yahoo and MeetUp we get several notices.

Part of the reason DBTC joined MeetUp was to get the word out about DBTC. As new riders come to a ride you are on, please take a minute to introduce yourself. Invite them to join DBTC. Encourage them to try other rides if the one they are on is too fast or too slow.

Any organization has to change and grow or it withers away. We depend on our members to provide the rides and trips that make this a unique club. The Ride Coordinators and the Board need your enthusiasm and leadership. We also welcome your suggestions. Our contact information is on this page, at left.

Pictures and Articles for the Newsletter... This newsletter belongs to the members. If you have pictures or an article to share, please email them to ridecoordinator@dbtc.org. Only send one or two pictures so you don't clog up my computer! Be sure to include details about who, when and where the picture was taken. If you have a photo to mail, contact the Ride Coordinator for the address. Remember we must give credit to the author. If you are a writer with an article of interest, we may make you a published author! The deadline for publishing is the 20th, but please send your articles earlier.

2013 TEXAS HILL COUNTRY

April 6th-12th, 2013

Don and Marilyn Swett

Sign up early to get a spot. Low cost trip price of \$40 per person does not include accommodations. (If budget is no problem consider the Adventure Cycling Hill country tour during the same time frame for \$1099.) The main location for camping will be at the Lady Bird Municipal Park, with tent camping at about \$10 per night and RV camping at roughly \$30/night. There are a number of B&Bs and motels nearby in Fredericksburg. There will be 6 days of riding with an optional 7th day for more riding or sightseeing.

We will be staying near the Historic German town of Fredericksburg, right in the middle of the Texas Hill Country. This is the spring flower season with the Blue Bonnets in bloom as well as other wild flowers. Rides will be approx. 20-40 miles in length (with longer options). Expect some hills, some new routes and fewer Bugs (VW type)! Fredericksburg offers unique German cuisine as well as local Tex-Mex, local wineries and brew-pubs. Shoppers will find over 150 boutiques, art galleries and antique emporiums, not to mention an herb farm, wildflower farm, and National Museum of the Pacific War. Rides will be loop types with different start/stop locations, and will highlight the local history, scenery, LBJ Ranch, Stonehenge II, wineries and more.

You must set up your own reservations for RVs, Motels, and B&Bs. Tenters do not need to make reservations at the Lady Bird Park. Marilyn & Don Swett will be your hosts on this ride. If interested, contact Don at don_swett@comcast.net. We will need to have payment and signed waivers by March 1st, 2013. You must be current member of DBTC to participate in out-of-town rides.

ABQ Multi-Sport Trip: Sunday 5/12 - Saturday 5/18/13

Join Ellen and Karen, and get to know ABQ, NM. ABQ is a day's drive southwest from Denver and has a warm climate with blue skies that go on forever! We will be staying at a fabulous hotel just spitting distance from the ABQ Plaza (Old Town) and a handful of museums and cultural attractions.

We have 4 fun filled days of biking and hiking planned, plus, we are giving you a free day to explore on your own - you can get your kicks on Route 66 (it runs through town)!

Here's the plan for the week:

Drive to ABQ on Sunday and have a pre-trip dessert happy hour. Monday we will have a group breakfast at our favorite local restaurant on the way to a 30-mile flat and scenic ride along Rio Grande Blvd and the Bosque Trail (bike path). Tuesday will be an optional 30-45 mile ride out to see the Volcanoes, or you can instead hike around/over the volcanoes and through the Petroglyph National Monument. We'll have a happy hour at the hotel on Tuesday night. Wednesday is the free day to explore ABQ on your own. Thursday we eat a hearty breakfast burrito to get us going, and head north to Bernalillo for either a 20 or 40- mile scenic round trip ride (with a nice climb!) to Jemez Dam. On the way, we stop at the Coronado State Monument to see ancient pueblo ruins. Friday you can either bike 20-40 miles round trip up, up, up to the Cibola National Forest, or you can hike up those hills. Our farewell dinner is at our favorite ABQ restaurant on Friday night, and includes your choice of an entrée plus a killer dessert.

We check out of the hotel on Saturday and head home – those who want to ride the Santa Fe Century can stop over in Santa Fe on the way – the Century Ride is on Sunday.

The tour includes double occupancy hotel accommodations and the meals mentioned above. The hotel does not provide breakfast, but rooms have refrigerators and coffee makers with Starbuck's coffee. Cost for 6 nights of lodging and 5 days of playing is \$500/person. To join us on the trip, please send \$500 (check made out to Ellen, post-dated to 2/14/13) and the tour forms at www.dbtc.org/tours to Ellen Chilikas at PO Box 471803, Aurora, CO 80047. (If you've already sent me a liability form for a trip in 2013, you do not need to send another one) The tour is first come, first served. Tour cost is transferable but not refundable. Tour is for self-reliant Intermediate level riders. Please contact Ellen (outdoorsdiva@yahoo.com) or Karen (karen_jenneman@hotmail.com) for questions.

Weekday Skiing with DBTC

Lin Hark and Sue Frakes will be leading weekday ski trips to Loveland, Copper Mountain and Ski Cooper this season. If you would like to join these trips you may want to get the GEMS card for a free day at Ski Cooper in February, and 2 for 1s at Loveland. They will also be doing the Ski Hooky Days at Loveland which are the first Thursday of each snowy month. To get the \$10 GEMS card go to:

www.shopcoloradoski.com/product_p/cscusa_gems_card_2011_12.htm

There may be some snowshoe and cross country ski days too so watch on the Colorado Bicyclist Yahoo Group (send blank email to ColoradoBicyclist-subscribe@yahoogroups.com) for these.

See you on the slopes!

TETON TREK II

SEPTEMBER 8-15, 2013

Leaders: JOHN CAMPBELL and ELLEN CHILIKAS

4 nights in Jackson Hole and 3 nights in Teton's Colter Bay, Wyoming

Bike 3 days in and around Jackson Hole then, on the free day, drive to Colter Bay near Yellowstone; followed by two days of riding in Yellowstone.

Most rides are 30-40 miles long, with one long loop of 60 miles. Some moderate climbing. There are also lots of hiking options for those who don't want to bike every day. These have not been scouted, so if you want to hike, please do some research prior to the trip.

We did a slightly shorter version of this trip in 2007 and everyone who went had a great time. We are adding an extra day in the Colter Bay cabins since everyone enjoyed them so much. We are looking forward to having you come and play with us in Wyoming's playground!

Jackson Hole is 500 miles from Denver.

The cost of the trip is \$625 and includes the following: 7 nights double occupancy lodging, a pre-trip planning and information party, continental breakfasts at the motel in Jackson, a few happy hours, and possibly a dinner near Colter Bay. All route maps for the rides are also included. The cost does not include your meals on the trip, unless mentioned above.

Required is a trip deposit of \$125.00 (make the check out to Ellen and post date the check to 5/1/13) and the tour forms located here: www.dbtc.org/OTT_Index.aspx

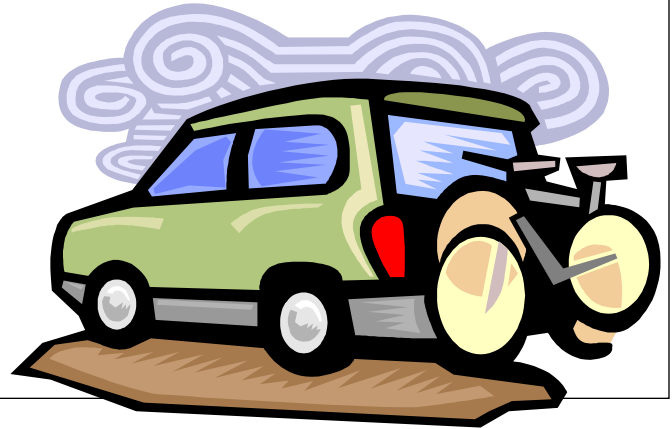

Mail it all to:

Ellen Chilikas

PO Box 471803, Aurora, CO 80047

The additional \$500.00 is due by July 1, 2013

If you have any questions, you can contact John Campbell at jwc@rmi.net or Ellen Chilikas at outdoorsdiva@yahoo.com.

Volunteer Recognition Dinner – 2012

Patty Gaspar

Eighty-eight folks enjoyed the potluck dishes brought by members and the ham and turkey supplied by the club. We all wish to thank Karen Kirby and her hard working corps of volunteers for organizing a wonderful evening. As we ate our desserts our own Gaar Porter lead a sing-a-long on his banjo.

As is our tradition, at various time throughout the evening well-deserving members received special awards. This year Jeff Krinsky received recognition for helping push members up Swan Mountain. Ladies, he now owns a Mickey Mouse hand to make it easier so look for Jeff next time you have to head up a hill.

John Campbell, our retiring club President, introduced the Board of Directors for 2012. We all thank John, Karen Kirby (Treasurer), Guy James (Vice President), Carolyn Bauer (Secretary), Jeff Krinsky, Kevin Purdy, Doug Schuler and retiring board member Tom Casadevall for their service to the club in 2012. For 2013 the Board of Directors is in need of someone to take the President's position and there is one open seat. John made an appeal for someone to step forward to lead the club.

Patty Gaspar, the Director of Ride activities, thanked all the 2012 Ride Coordinators. Rick Clauder (North Fun and Intermediate Rides), Gaar Potter (South Fun Rides), Joyce Terlaje (retiring as Coordinator for Wednesday Rides) and Dick Plastino (MTB Rides) and Melba Bouquet (Roses Rides). All these Coordinators depend on members to step forward and lead rides from April through October. Patty discussed the drop in the number of ride leaders in 2012.

Steve Ingraham next introduced the group of On-going Volunteers, most of who have served for a number of years and they keep the club running smoothly. They are Patty Gaspar (Director of rides and Newsletter Editor), Dave Grimes (Webmaster and Data Base Manager), Gaar Potter (Bookkeeper and Bike box Manager), Sally Swartz (New member welcomer), Ellen Chilikas (Out-of-

Town Tour Director), Jeff Krinsky (Photo Gallery Manager), Cindy Ferry (Club eMail Manager), and Dale Trone (Yahoo Group Moderator). Each of the Ride Coordinators and these On-Going Volunteers received a special gift from the club.

The Denver Bicycle Touring Club wouldn't be a "touring" club without the Out Of Town Tour Leaders. Ellen Chilikas reviewed the 2012 tours and talked about the upcoming 2013 tours. John Campbell thanked Ellen Chilikas, Darrell Deering,

We have a schedule that should appeal to you snow or shine. Remember to watch the yahoo group for additional rides or snow trips, or cancellations.

If you'd like to include an activity in the newsletter, please email it to ridecoordinator@dbtc.org by February 15th for the March newsletter or contact Patty at 303-989-8268.

Many of our members love winter sports and want to continue enjoying the outdoors with their DBTC friends. The DBTC Message Board will be our main means of communication through the winter months. If you'd like to post an event, simply go into the site. Remember not all members have email so if you have it in the newsletter all members are notified.

Rides are cancelled if the temperature is below 40 degrees at start time or it is raining or snowing.

You can join BOTH groups. After you send the e-mail requesting to join, you will be contacted via e-mail with a confirmation. If you'd like to post an event, simply go into the site. Remember that only club-related activities can be posted. We reserve the right to cancel any posting we don't think is appropriate.

Please Note:

- Joining either of these Yahoo Groups does not make you valid member of the DBTC.
- If your e-mail address changes, you must send your new e-mail address to both the Yahoo Group and to the DBTC webmaster (webmaster@dbtc.org)
- The DBTC Website operates independently from the Yahoo Groups. The Yahoo Groups send only e-mail messages concerning some upcoming events. The DBTC monthly Newsletter, The Colorado Bicyclist, is sent to you from the DBTC Website via e-mail only if you have so requested.

Be Ready To Ride: DBTC Ride Leaders and members are NOT bike mechanics. Before showing up for a ride, check your tubes and tires. Fix flats in advance of start time. Check your brakes and shifters, and, if any part of your bike needs maintenance, take it to an authorized mechanic. A complete tune up once a year is recommended. Your ride is only as safe and enjoyable as the condition of your bike.

Yahoo Group - Posting Requirements For Rides & Events

During the winter most of our events are Show and Go. We always prefer to have rides with designated leaders so you can post a Yahoo Group ride even if a Show and Go is listed in the newsletter.

1) Description Checked:

- DBTC Moderators (currently Lin Hark, Dale Trone, and Jeff Baysinger) post rides or events only if the requester is a current DBTC member,
- AND for rides the posted description conforms to the standard DBTC posting format: (e.g., FUN-2-25-NW-10:00 AM Location, Contact person & info, brief description)

2) Rules For Posting Rides To Yahoo Group:

- To prevent drawing participants from scheduled rides, your Yahoo-posted ride must NOT be of a similar length, category, location (city quadrant), and length as a ride posted in the Newsletter.
- It must be posted at least 2 days prior to the event.

3) Ride Credit For Ride Posted Only To The Yahoo Group:

- Ride leader must send the completed sign-in sheet (snail-mail or eMail) to the Yahoo Event Compiler (currently Steve Ingraham singraham046@aol.com) within one week of the ride.
- No actual ride, no credit. No sign-in sheet, no credit. If only the ride leader signs in, no credit. If the ride leader does not sign in, no credit.

4) Credit For Other Recreational Events (Ski Trips And Hikes) Not In Newsletter:

- The event leader must send the completed sign-in sheet (snail-mail or eMail) to the Yahoo Event Compiler (currently Steve Ingraham singraham046@aol.com) within one week of the event.
- No actual event, no credit. No sign-in sheet, no credit. If only the event leader signs in, no credit. If the event leader does not sign in, no credit.

DBTC WINTER (FROZEN WATER BOTTLE) ROAD RIDES

These off-season rides are set up for Road Riders who wish to maintain their overall cycling fitness during the months of November - February.

These rides will be posted on the Yahoo group site (<http://groups.yahoo.com/group/ColoradoBicyclist>) on or after each Wednesday. This will allow time to see if the weather is good for a Saturday or Sunday ride. Cancellation of the ride can occur if temperatures are below 30 F and/or roads are wet. Start times will be 10:00AM unless weather determines a later start.

All rides will start at Lucero's, 10151 W. 26 Ave (just W. of Kipling), Wheat Ridge, CO. This location is just across Kipling St. from the Crown Hill Park. Please park your car on the northwest corner of the parking lot. Mileage is from 20 miles to 35 miles. The routes are not too hilly and have been used before. This time of the year, there is no reason to climb mountains. Winter road rides pace will be 15 + MPH with regrouping. Please reply to Donald Schmertz by email if you have any questions. Hope to see you there!!!

Weekday Skiing with DBTC

Lin Hark and Sue Frakes will be leading weekday ski trips to Winter Park and possibly Loveland, Breckenridge and/or Ski Cooper this season. If you would like to join any of these trips you will want to be on the Yahoo Group email list. Loveland will be doing the Ski Hooky Days which are the second Thursday of the months December thru March for \$25 this year. Sue and I have decided to NOT do December or January, but we may do February or March.

I will send out the information each month in case you would like to lead a trip or go on your own. Ski Cooper's Senior Days are on the first and third Wednesdays of January, February, March and April. The rate is \$27 for age 55-69 and \$15 for 70+. So we may schedule a day at Ski Cooper.

Watch for updates and more info on the yahoo group emails. There may be some snowshoe and cross country ski days too so watch for these. We have decided NOT to get the GEMS card this year. To join the Colorado Bicyclist Yahoo Group send blank email to ColoradoBicyclist-subscribe@yahoogroups.com . See you on the slopes!

Tentative ski dates so far are:

Jan 14th Winter Park

Jan 28th Winter Park

SATURDAY & SUNDAY AND HOLIDAY WINTER RIDES

FUN/INT-2/3-20/30-NESW-11:00AM Unless there is a leader named, WINTER rides will be Show-N-Go. The riders who show up on these days will decide among themselves the route, the mileage, the pace and the after-ride restaurant. The starting locations will be places where many rides have begun in the past and thus several riders will have an idea of possible routes to be taken. You can go to www.dbtc.org and hit the start locations button for more detailed directions to most of the starting points.

Winter Riding Guidelines

- Weather:** forecast temperature above freezing with dry conditions.
Clothing: wear layers, outer windbreaker, hat/ear covers, gloves, toe covers and riding/sports pants – knees should be covered if it is below 50.
Other: bring water, repair items and a snack
Reminder: Adding a bright colored vest over a winter jacket makes you much more visible

Lin Hark, Linda Wheeler, Don and Marilyn Swett, and Diane Short for leading Out-of-Town Tours. Also recognized were MTB weekend trip leaders Jeff Baysinger, Fred Berry and Darrel Deering.

Our club now has 43 members over the age of 75. This group of experienced riders received a rousing round of applause as they stood and were recognized.

During 2012, 76 members led 263 rides. Of these, 37 members led 3 or more rides and received the 2012 Ride Leader Pin.

This year we recognized these members by giving them some of our swag from prior years – starting with those leading the most rides the members picked what they wanted from the prize table. 6 members, who led 3 or more rides for the first time, received the DBTC baseball hat. They are Mary Jenkins, Derek Paris, Lili Schumann, Kathy Basel, Wes Chowen and Jeannie Clayton. Remember that you never know what nice gifts

await volunteers at the end of the year—please volunteer!!

Special recognition and gifts went to our top Premier Ride Leaders. Donald Schmertz led 19 rides, Jeff Baysinger led 13 and Wayne Tomasello 12. Our Volunteer of the Year is Rick Clauder, who was bike riding in

Vietnam during the VRD, so we'll recognize him at the Kick Off.

To sum up the evening: good food, good friends, and great entertainment. See you all at the DBTC Kick Off Dinner in the Spring. And a special thanks to Steve Ingraham for being our Master of Ceremonies.
