PICNIC HELPERS NEEDED

Just as in the past we are looking for club members to share the load of helping with picking up food, getting things from the storage locker, setting up, cleaning up and cooking.

Volunteers bringing items to the picnic will be reimbursed for park entry fee. **Contact John Campbell 303-797-0250 or jwc@rmi.net** to volunteer your services.

Recycle!

There is a lot of trash generated at the dinners and picnics. Members are invited to take the initiative, grab a trash bag, fill it with recyclables, and take home. Then take to your local recycling drop off spot.

The event chairman thanks you.

Memorial Day Picnic

John Campbell

This year about 80 bike club members enjoyed our annual Memorial Day picnic. Unfortunately, the weather did not fully cooperate, but everyone seemed to have a good time in spite of the weather. It always seems to be a challenge with this picnic if we can experience good riding temperatures. This year it was a little breezy.

I want to thank those club members who came out to enjoy the camaraderie and to get the summer riding season started. Thanks to many of the club members for volunteering their service picking up food, setting up, cooking and cleaning up as we left the park.

Here are those that volunteered bring food and supplies: Burt hunt, tomatoes; Kathy Harrell, hamburger buns & potato chips; Cindy Fewell, Veggie trays; Susan Gregory, Veggie burgers; Renee Hardacre, grapes; John Stidman, Veggie trays; Marti Krusko, Strawberries; Paul Altman, sodas; Dick Plastino, ice.

Those who helped in service are: Lee Forker; picked up coolers from the storage locker and cooked hamburgers; George Because, cooked hamburgers and set up food; Mark Shimoda, cooked hamburgers; Dick Quick cooked the baked beans; Fred Kerr, cooked hamburgers; Cindy Fewell, washed off the picnic tables. If I failed to mention anyone who helped, I apologize for my oversight.

Again I want to thank everyone who helped to make this another successful DBTC event!

4th Annual Circle the Summit Ride Frisco, Colorado

Saturday August 20, 2011

The ride was originated 4 years ago by the Summit Biking Group to raise funds to construct a bike/recreation path over the dangerous Swan Mountain Road. The road goes from Keystone to Breckenridge/Frisco, and completes the popular "Around the Lake Ride". Private funding was critical in leveraging private foundation and government matching grants. The past 3 years rides raised nearly \$60,000, which was used towards completing three sections on the east side of Swan Mountain Road. The Department of Transportation will complete the project with road widening and a bike lane.

This was a massive undertaking, and all cyclists who enjoy riding in the beautiful Colorado Mountains, and specifically Summit County, say "Thank You". Keep in mind, everyone working on this project is a volunteer. The DBTC Ride Schedule includes many rides in the area every year. Summit County is a popular vacation and cycling destination for many DBTC members, their families and out-of-state visitors.

The ride starts and finishes on the historic Main Street of Frisco. There are four distances ranging from 21 to 100 miles. All routes circle Lake Dillon, but riders are free to shorten or extend them.. After the ride, cyclists will enjoy a delicious "hot off the grill" lunch of Kobe burgers prepared by the Mint Steakhouse or vegetarian offerings and a cold draft beer to wash it down. The ride coordinates with the town of Frisco "Music on Main" event which has bands playing from afternoon to evening. Bring a change of clothes and a chair. Better yet, stay for the weekend.

Registration: You can register online, via postal mail, or limited dates and times in person. Go to – www.circlethesummit.com – for complete information. \$55 for adults registered on or before midnight July 1. \$65 for adults registered between July 2 and midnight Aug. 17. \$75 for adults registered Aug. 18 thru ride day. Proceeds from this ride are used to improve and maintain this incredible bike/recpath network.

See you all on your bikes. Have a great day and know that all funds raised go directly back to improve and maintain an incredible bike/recpath network.

Never leave your wallet, purse, or valuables in your vehicle. There have been vehicle break-ins at many parking lots. Carry a small coin purse to hold your driver's license, medical insurance card, money, and car key. Do not leave an empty purse in view.

The third day will be a hike led by Richard in the Snowy Range or you can use it as a free day to explore the area on your own. The fourth day will be from the Brush Creek campground up the West side of the Snowy Range for approximately 32 miles round trip with an elevation gain of approximately 2,300 feet. Riders are expected to ride at an Intermediate pace. For more information you can contact John Campbell at jwc@rmi.net or 303-797-0250 or Richard Gieseler at rgizler@gmail.com or 303-722-1475

Do You Know the Way to Santa Fe?

Ellen Chilikas and John Campbell led a ride to Santa Fe for 27 members of DBTC. Joe and Kathy Stommel have been on several DBTC trips even though they are members living in Pueblo. They wrote this song to help us remember the trip:

(sung to the music of "Do You Know the Way to San Jose" by Burt Bacharach)

*Do you know the way to Santa Fe?
Cupcake and Tailpipe have the maps, we'll find our way.
Do you know the way to Santa Fe?
I'm going back to find a glass of wine, a piece of pie in Santa Fe.*

*Trader Joe's is such a cool store,
Put 3 dollars down and buy some wine,
Salad dressing, spices also are fine.
Bottles turn into cases stacking high,
And all the cars get loaded up
With no more room for you or I.*

*Roadrunner can bike to Santa Fe,
He gets around so fast, he'll never lose his way.
Role around the mountains on his way,
Eat a lizard, chase a coyote.*

*Dan Bob Kurt can change a flat,
Beth or Helen testify to that,
Ellen, Mary, Judy know it too,
Wrenches move so fast they burn,
And all the air gets pumped back in
So down the road the wheels will turn.*

*Do you know the way to build a bomb?
Oppie and Fermi can surely make you one.
Do you know the way to make a city glow?
Plutonium and Arizona wild fires, don't you know.*

*Taos is a land of great art,
Put a thousand down to get some bling,
In the store it seemed the logical thing,
Two paychecks blown was not too smart,
Now next month's budget too is blown apart,
The glitter's gone, the shine will never last.*

*Do you know the way to Santa Fe?
I'm going there to bike, hike and eat and drink.*

*Do you know the way to Santa Fe?
We got to go back very soon I think.*

We've got lots of friends in Santa Fe.

Can't wait to get back to Santa Fe.

DBTC runs a tour to Santa Fe.

Full Moon Hiking, Camping, Mountain or Road Biking

Friday/Saturday,
August 12-13

Please contact Lin at Linbike@juno.com or 303-507-3502 for more info on this trip. You will need to be a member of the DBTC and fill out and return to Lin the 2 OOT Forms.

Friday, August 12 Full Moon Hike

Meet Lin Hark at the South Platte Campground or the trailhead TBD Friday evening for a Full Moon Hike.

Saturday, August 13 Buffalo Creek, Deckers, So Platte River Loop

FUN/INT H1-H3 25/43 miles-SW 9:00AM Meet Lin Hark (303-507-3502) at the South Platte Campground along the South Platte River (4 miles north of Deckers on Hwy 67) for a fun bike ride along the river then take the option to either make the 43 mile loop or go back to the campground. The loop is mostly along the river with an 18 mile section on Hwy 126 from Buffalo Creek to Deckers. This section is hilly but rolling with some climbs as long as 5 miles. Fun riders can do the out and back along the river on the railroad grade if they wish. Lunch stop is at the Coffee Shop Cafe in Deckers. Return to the campground and jump in the river to cool off. Most of this route is paved but there is about 10 miles of dirt road so a mountain bike or hybrid bike is preferable, but a road bike would work.

Info on South Platte Campground: next to the river, nicely treed with some shady spots, 11 sites, first come first serve, with tables and fire pits with grates, pit toilets but no water. Camping is \$13 per night or \$7.50 with NP Senior Pass. Tubing and boating is allowed.

Wait for poky ride leader to show you the space alien tramway on your way to the top of the ridge. Then it's a screamer downhill to the Central City Parkway and east through a tricky entrance. Stay sharp to do a sidetrip to the Hidee Mine for a snack. It's another short 12% grind back to the Parkway and a screaming downhill to Hidden Valley back to Idaho Springs. Possibly lunch will be at a bar of the group's choice. The side trips offer a break and an intermediate flair and speed on the uphill sections. I will ride my mountain bike because I like the granny gears. I think a hybrid bike or a road bike with 1 1/4 inch tires will do just fine. Skinny tires may get caught in gravel. This is a huffing, puffing interval training ride.
