### New Wednesday Happy Hour Rides

**NEW - Wednesday Happy Hour Rides in the Tech Center** with Bill Stevens.

His rides will start at 5:00 pm and be fairly short, 15 to 20 miles so you can then retire to enjoy Happy Hour and dinner or head on home after the rush hour is over. Think about it— a pleasant ride or rush hour— tough choice.

**all for FREE!!!** This End-of-Summer Signature Ride for the DBTC is a tour of the western Denver Metro area on 3 major bike paths. What better way to end the summer than with a special ride to put your summer-long training to some fun use? Those of you who rode last year know what a great ride it is.

Let's have a show of club SPIRIT. Just imagine a ride with everyone wearing yellow. If you have one, wear your yellow DBTC jersey; if not at least wear another yellow jersey. We'll be noticed. DBTC Jerseys, socks, and water bottles will be available – or go to [www.dbtc.org](http://www.dbtc.org) to get yours before the ride.

## PRESIDENT'S MESSAGE

### John Campbell

At our August 2011 Board of Directors meeting, the directors discussed the issue of the Denver Bicycle Touring Club's preservation. The directors noted that we have had a number of ride coordinators and ride leaders step aside this year and there have not been many volunteers to fill those positions. Also, in last month's newsletter I asked for volunteers for directors and I have not received any one wanting to run for the open director positions. While everyone seems to be in agreement that the club provides great opportunities for rides both in the city and tours outside the city, those volunteers that have been coordinating those rides did not sign on for a life-time commitment.

The Board of Directors and myself are concerned about this trend and are asking club members for suggestions on how or what we can do to see that the fine leadership this club has experienced in the past is continued into the future. If you have any suggestions, please let me or one of the directors know your ideas.

Karen Kirby is heading up this year's VRD Dinner and she is in the process of forming her committee for this event. She has asked me to put a note in the newsletter asking for a couple more people to help plan this year's event. If you would like to help, please contact Karen at [kjckirby@gmail.com](mailto:kjckirby@gmail.com)

Last, but not least, we still have Board of Director positions available. Contact me at [john@onedenverplace.com](mailto:john@onedenverplace.com) or (303) 797-0250.

**Pictures and Articles for the Newsletter...** This newsletter belongs to the members. If you have pictures or an article to share, please email them to [ridecoordinator@dbtc.org](mailto:ridecoordinator@dbtc.org). Only send one or two pictures so you don't clog up my computer! Be sure to include details about who, when and where the picture was taken. If you have a photo to mail, contact the Ride Coordinator for the address. Remember we must give credit to the author. If you are a writer with an article of interest, we may make you a published author! The deadline for publishing is the 10th, but please send your articles earlier.

## Meet Rick Clauder

Patty Gaspar

Rick Clauder has taken over the job of North Ride coordinator from Howard Bagdad, who has always been a tremendous asset for this club but presently has too many demands on his time to continue this job. Rick is a past president and has been our go-to guy to sell jerseys, lead rides, help at events and just about anything we ask of him. Again, he is stepping forward to fill an important spot.

Rick retired and moved to Colorado from Ohio in 2003. He spends the summers riding his bike and ice skating and his winters skiing. He hasn't been riding much this summer because he received a new knee this spring – he decided to give up summer biking rather than winter skiing. For someone who says he hates the cold, he spends a lot of time on ice and snow. In addition, Rick serves as a mentor for a young man. If you need to practice your German or Spanish, Rick would love to have a conversation.

**A note from Rick:** those of us active riders we have noticed that we are lacking in the number of rides offered this year. Part of the reason is that some of our high-output ride leaders are having health issues. But, for whatever the reason, we need more people to step up to the plate and lead rides. We have many riders who haven't led but know many routes as they are participants in others' rides. Please decide to lead some of them. For Fun rides North—that's any Fun Ride that starts north of Colfax—please contact me: 303-463-1875 or: rickclauder1@msn.com.

## Allosaurs! Brontosaurus! Tarantulas! Oh My!

September 30th to October 1

Join Stuart Black for another trip to the Picketwire Canyon Dinosaur Trackway. This year we'll be camping on the edge of the canyon (25 miles south of La Junta) Friday night. After sundown, Stuart will entertain you with the chilling story of how the Purgatory River got its name.

The ride within the canyon is a mountain bike ride with a few climbs and some sand. Bring food and water as there are no services within the canyon or at the campground. Bring wading shoes too since the best tracks are across the Purgatory River.

Contact Stuart to RSVP (303-433-9041) and for details on carpool arrangements and directions to the campsite.

## July Summer Picnic 2011

John Campbell

This year's summer picnic took place at Bear Creek Lake Park Meadowlark Shelter. Over 80 club members participated in the picnic and rides. Everyone seemed to agree the venue was a good location for the rides and picnic. The day was perfect for riding and food and camaraderie. Members enjoyed a wonderful event.

Thanks to the help of club members pitching in to bring supplies and help, the day provided fun for everyone. Members bringing food, beverages and supplies were: Audrey Dessauer, Susan Gregory, Cathy Perkins, Dick Plastino, Richard Quick, Linda Wheeler, and Patti Zarlingo.

I want to thank all of the volunteers who helped make this another successful day, including the ride leaders. If I missed adding your name to the list, I apologize.

Never leave your wallet, purse, or valuables in your vehicle. There have been vehicle break-ins at many parking lots. Carry a small coin purse to hold your driver's license, medical insurance card, money, and car key. Do not leave an empty purse in view.

## THINK SNOW – Time to plan some winter trips!

Ellen Chilikas

I know it's hot out, but it's time to plan our winter ski and snowshoe weekends. We always have a ball on these trips - hope you can join us. There are three trips to choose from:

### 4th Annual New Year's Pajama Party in Leadville –

**Sat 12/31/11 - Tues 1/3/12** We will be again staying at the hostel and having breakfast and dinner each day - champagne will be provided for NY Eve. Downhillers can ski Cooper or Copper or Monarch, xc skiers and snowshoers will play on the Mineral Belt, CMC trails and around Tennessee Pass. Costs depend on the room you choose (we have the rooms with private baths and the 'couples' rooms with shared baths). Expect the cost to be around \$175 for 3 nights with breakfast and dinner included each day.

\*\*\*\$100 deposit due now to hold your spot, final payment is due 10/15.\*\*\*

### January in Fraser: Thu 1/19/12 - Mon 1/23/12

We will now be staying at a hotel for the trip. We'll have a continental breakfast daily, plus BYO happy hours and one dinner. Downhillers can ski Winter park or Sol Vista, XC skiers and snowshoers can explore the nordic centers, the Fraser Experimental Forest and even wander up around Granby.

Double occupancy - expect costs to be ~\$275 per person for 4 nights. We must book 10 rooms to get this rate so tell all your friends!

\*\*\*\$100 deposit due now to hold your spot, final payment is due 12/1.\*\*\*

### February in Crested Butte: Thu 2/9/12 - Mon 2/13/12

This is our first trip to Crested Butte. I have friends who have lived here for 10 years—they will make sure we see and do all the good stuff! We are staying in a hotel and will have continental breakfast daily. We'll also have a special meal at the nordic center yurt that we need to ski or snowshoe to. And expect a happy hour thrown in to boot. Downhill skiing in Crested Butte is famous—enough said. The nordic center continues to expand their terrain so there are many options. There are also back-country areas to explore. Double occupancy cost should be ~\$250-\$275 per person for 4 nights. We

must book 10 rooms to get this rate so tell all your friends! \*\*\*\$100 deposit due now to hold your spot, final payment is due 11/15.\*\*\*

Contact Ellen (outdoorsdiva@yahoo.com) with questions. Please send your deposit check (made out to Ellen Chilikas) with the DBTC tour forms ([http://www.dbtc.org/OTT\\_Index.aspx](http://www.dbtc.org/OTT_Index.aspx)) to Ellen at PO Box 471803, Aurora, CO 80047. You must send a check and your forms both to hold a spot.

## Parking Reminder

**Fellow bikers and carpoolers:** If you see signs in a parking lot indicating that your car might be towed if you leave it there, pay attention.

On a recent morning a group of birders received a warning from an unhappy member who carpoled from a parking lot at Sheridan and Dartmouth. They disregarded the warning signs because the group had used this lot as a meeting place for years. After a lovely day of birding they returned to find four cars had been towed away. Each owner had to pay \$307 in CASH to recover his/her vehicle. You can still park in the area with the WHITE stripes, but always pay attention to No Parking signs – sometimes they mean it!

## A message about club member, Joe Neer

As some of you know, Joe Neer—avid road rider and member of the Frozen Water Bottle sub-group—suffered a serious bicycle crash last November, resulting in a traumatic brain injury.

His wife, Lise tells us that he is not yet recovered enough to return home, but is currently staying in a VA Medical Foster Home in Windsor Gardens. There he enjoys excellent care coordinated by the Veterans Administration, the company of friends, and homey atmosphere provided by his caregiver, Cyndi.

For those of you who would like to send well wishes or pay a visit, please contact Lise Neer (bdmembers@comcast.net) and she will be happy to give you the phone number and/or address.
