Announcing our Guest Speaker, Neil Hanson

A lifelong cyclist, Neil has ridden his bicycle across the country, throughout the backroads in the Midwest, throughout northern Italy, from one end of the Natchez Trace to the other, and across many of the nation's Rail Trails. A hopeless naturalist and recovering romantic, Neil loves to learn, bird, hike, hunt, fish, spin yarns, and read.

Neil's first book, *Peace at the Edge of Uncertainty*, is a story of spiritual journey based on his experiences at his father's bedside during his father's final days, and was published in 2010. His second book, *The Pilgrim Way*, was published in early 2015, and is a touring style and logistics companion guide for his most recent book, *Pilgrim Wheels, Reflections of a Cyclist Crossing America*. *Pilgrim Wheels* is a journey story, focusing on the experiences and reflections Neil discovered on his trip across the country.

The President's Page

Kathy Stommel

The leaves have fallen and the DBTC Volunteer Recognition Luncheon is almost here. Can it really be time to close the books on my year as President ??

Looking back, it's been an successful year overall, and we have a lot of accomplishments to celebrate:

- DBTC has grown to 430 memberships.
- There are 484 enrollees in the DBTC MeetUp Group.
- Sixty-eight different ride leaders hosted a total of 265 rides.
- Six new Out of Town Tour Leaders completed their training and every one has triumphantly led their first tour.
- The new format of Spring Kickoff at Lucile's Creole Cafe was a very popular event.
- Approximately 110 members and guests participated in the Summer Picnic at Wheat Ridge Prospect Park.
- A Bike Equipment Swap & Sale was offered in conjunction with the Picnic, which hopefully will become an annual event.
- The Frisco Ice Cream Social was resurrected with 50+ participants.
- A major revision to the DBTC "Bicycling The Greater Denver Area Route Map" was completed with a new wholesale pricing structure to ensure continued financial support for this club.
- DBTC donated a bike FixIt station to Denver Parks & Recreation Department, which has been installed at Four Mile Park. Please watch for details of a ribbon cutting and dedication ride on Saturday, November 7.
- Joint rides were conducted with Bicycle Aurora and BikeMiester groups. Most important to me is that I am still married and loving every day with my amazing, understanding husband, Joe ! !

These accomplishments were only possible with the dedicated, hard-working volunteers that make up our Board of Directors, Ride Coordinators, Tour Leaders, Staff and Ride Leaders. I hope you will join me in saying "THANK YOU" to everyone that helped keep the Denver Bicycle Touring Club a viable, active and FUN group. It's been a pleasure to serve as your President this year.

I hope to see everyone at the Volunteer Recognition Luncheon on Saturday, November 14. Be sure to register by November 10 to get the reduced member price.

Happy Trails ! !

BIKE AND BREWS IN FORT COLLINS

October 11–13

DBTC's Bike and Brews tour to Fort Collins was a resounding success! A group of 13 participants plus 2 leaders enjoyed outstanding weather as they rode along the beautiful Cache la Poudre in Fort Collins and enjoyed beer tasting at area breweries. The first afternoon was a leisurely ride along the Spring Creek and Poudre Trails to New Belgium Brewery for a 90 minute Brewery tour, with a happy hour back at the hotel. On the second day the leaders offered longer and shorter ride options up the Poudre Canyon to Picnic Rock or the General Store. Several folks then enjoyed the pre-dinner optional Tap Room Tour of three different breweries, followed by a wonderful dinner at Coopersmith's Brew Pub in Old Town Fort Collins. On the final day the group rode east up the Poudre on the Poudre River Trail to Greeley and back, and then enjoyed a wonderful tailgate lunch at the trailhead before heading back to Denver. The trip was a great combination of biking and socializing over craft beer delights. Thanks to new out of town tour leaders Cyndy Klepinger and Helen Berkman for a great tour. Watch for more fun trips offered by the hard working DBTC OOTT leaders! *More photos on page 9.*

UPCOMING CPR CLASSES FOR DBTC

DBTC will be offering some very inexpensive **CPR and Bicyclist First Aid classes** through the American Heart Association (AHA) over the winter. We are still in the process of setting up the classes, but they will be subsidized and will utilize the latest 2010 – 2015 Guidelines.

Everyone who attends and completes the classes will receive an AHA CPR & Adult First Aid Card. DBTC Board will send an e-mail announcement letting folks know the times and dates.

For further info, contact Board Member Scott Houchin at 303-321-3867, or e-mail Sparky9cougar@comcast.net.

Attend the Volunteer Recognition Lunch and Cast Your Vote

The annual election of DBTC Board Members will be conducted during the general membership meeting held in conjunction with the Volunteer Recognition Luncheon on Saturday, November 14. All members in attendance will be given the opportunity to vote. Please help support YOUR club by attending the VRL and casting your vote.

Meet the Board member candidates:

Lin Hark

After trying to ride with the DBTC back in the 70's and finding out I was too slow for the group, I decided to give them another try after I met up with a ride Rex Cole was leading in 1998. I saw his group riding the opposite direction, turned around and rode a short distance with the group and discovered I could keep up with this so called "FUN Ride". Rex soon persuaded me to join DBTC and I have been enjoying the club, its members and many new friends ever since. I served on the DBTC Board of Directors in 2000 shortly after jumping in with both feet to lead rides, camping trips, ski outings, teach mountain bike clinics, and to instigate members to join tours and self-supported trips with me.

I soon was totally invested in the DBTC as Vice President, Board Member, Wednesday Ride Coordinator and MTB Coordinator and was awarded Ride Leader of the Year twice. Recently, I co-led a tour to Glenwood Springs after OOTT Training and expect to lead many more tours in the future. The club has enriched my life and given me so much over the last 17 years, I feel a need to again give back now that I am retired for good! I would love to become a member of the DBTC Board of Directors this fall to help oversee the planning of events and steering the club into 2016.

Dick Shelton

I discovered the physical and mental satisfaction of recreational cycling after moving to Colorado in 2004 and have been the ride coordinator for Bicycle Aurora for the last five years. I enjoy sharing knowledge of new trails and advocating for continued expansion of both the on-street and multiuse trail system. For the last four years I have been an Aurora Trail Steward helping to maintain safe and attractive open-space facilities.

Earlier this year I retired from an 11 year stint at Frontier Airlines and my previous business positions were mostly in aerospace logistics management in California and Virginia.

On the Board I will seek to use my knowledge, experience and energy to provide positive cycling experiences for fellow club members.

Linda Wheeler

I am a semi retired middle school science teacher. Semi because I still substitute as needed. My five grown children live across the U.S. in nice places I like to visit. I joined DBTC as soon as I moved here over four years ago and have enjoyed the scheduled rides, tours, and people. I am a League of American Bicyclist instructor and have taught classes on bike and road safety.

Cyndy Klepinger

After completing my first term on the DBTC board, I decided to run again. Our Membership/Marketing Committee has put a lot of energy into attracting new members as well as retaining those we have. I would like to follow through on our efforts and continue to create programming to make the club more viable. I would like to use my marketing and membership expertise to make DBTC as strong as possible.

Tour the Vineyards in 2016!

Helen Berkman is planning a bike tour to the Grand Valley Wine District in September 2016. The tour will be based in Grand Junction and will include a leisurely Tour of the Vineyards with wine tastings and an official winery tour, biking Rim Rock Drive in the Colorado National Monument, biking along the Colorado River to the Fruita Fall Festival, and great dining options in Grand Junction restaurants. If you're interested, save the dates of September 22 – 26, 2016 in your calendar, and watch for more information early in 2016.

For more information or to get on the email list for this trip, email Helen at h.berkman@comcast.net

Bring it on, Old Man Winter

– Submitted by Donald Schmertz

There are a few things you should attend to for the upcoming Fall/Winter rides. The most important is to change those tires you've been riding all summer. You don't want a flat during a winter ride. Another item would be your chain. No matter how much you paid for it or how often it's been cleaned, blow dried and waxed, it will stretch out and ruin your cogs. I change mine every 3-4 months.

Visit this link for a YouTube how-to on how to remove & install a bicycle chain:

DBTC Riders in Provence

– Lise Neer

My Bucket List ride—50K around Mt. Ste. Victoire (painted often, as above, by Impressionist Paul Cézanne), was tough but très satisfying. Bike rental was from Aix Prit Vélo.

Below: Gary Goins is alive and well (and feeling quite French) in Aix en Provence.

In September, I made a visit to Aix en Provence to see fellow club member, Gary Goins and check out the South of France. Gary has decided to spend another 2 years here, and invites DBTC friends to drop in anytime. Aix is a sizeable city, with a lot to explore. Several bike shops have rentals. Good restaurants, markets, shopping and sight-seeing tours are plentiful. It's also just an hour or so by bus to the Mediterranean, which we visited on my last day there—the seaside village of Cassis has a nice beach and boat tours of the geologically fascinating coastline. And, I might add, nearly everyone here speaks English in case your French isn't up to speed.

DBTC publishes the “Bicycling the Greater Denver Area Route Map. In fact, we’ve sold over 20,000 copies in the past three years. Do you have a copy? Maps can be purchased from Bike Denver, bookstores such as Tattered Cover, and bike shops including REI, Bicycle Village and many others. **Keep an eye out for our newly updated map... coming soon!**

DBTC FALL-WINTER FUN RIDES 2015

Fall is officially here. Our ride coordinators are taking a much-deserved break. Late fall and winter riding conditions make it difficult to pre-plan rides. If it is cold and blowing, the ride leader may not want to roll out to lead a promised ride – especially since he or she might be the only person to brave the elements. Therefore, our scheduled rides become Show-N-Go with a few holiday or special events.

If you'd like to include an activity in the newsletter, please email it to ridecoordinator@dbtc.org by December 20th for the January/February newsletter or contact Patty at 303-989-8268.

Many of our members love winter sports and want to continue enjoying the outdoors with their DBTC friends. The DBTC Message Board will be our main means of communication through the winter months. If you'd like to post an event, simply go into the site. Remember not all members have email, so if you have it in the newsletter all members are notified.

Fall/Winter Riding Guidelines

Rides are cancelled if the temperature is below 40 degrees at start time or it is raining or snowing. Be ready to start at the time listed – tires pumped up and bike ready. The ride leader is not a mechanic so if your bike needs repair, please take it to the shop.

Ride Locator: There is a guide to the most frequent start locations on our website – www.dbtc.org. It provides the information you need to use Map Quest or Google Maps to make a map to the starting location.

If you'd like to include an activity in the newsletter, please email it to ridecoordinator@dbtc.org by the 10th for the following newsletter or contact Patty at 303-989-8268.

Once you have posted your ride, we will review the ride information to be sure it complies with the club requirements then upload it to the MeetUp web site where you can edit your ride. MeetUp is open to the public and can increase the number of riders on your rides and, hopefully, club members. Rides cannot conflict with the ride schedule. If you have registered with MeetUp, we will post your scheduled rides. **We are also on Facebook** if you want to share pictures or bike related news.

The DBTC Website operates independently from the Yahoo Groups. The Yahoo Groups send only e-mail messages concerning some upcoming events. The DBTC monthly Newsletter, The Colorado Bicyclist, is sent to you from the DBTC Website via e-mail only if you have so requested.

You can join any or all groups. After you send the e-mail requesting to join, you will be contacted via e-mail with a confirmation. If you'd like to post an event, simply go into the site. Remember that only club-related activities can be posted. We reserve the right to cancel any posting we don't think is appropriate. See the website for posting rules.

Please Note;

Joining Facebook or any other group does not make you valid member of the DBTC.

If your e-mail address changes, you must send your new e-mail address to the DBTC webmaster (webmaster@dbtc.org). The DBTC monthly Newsletter, The Colorado Bicyclist, is sent to you from the DBTC Website via e-mail only if you have so requested.

Wednesday "Roses" Group

Due to last year's "Wednesday jinx" weather-wise, let's try something different. You will have to join the Yahoo group to find out where/when we will ride. I'll try to pick a day with good weather, post a ride on the Yahoo group a couple of days ahead. We may also vary the ride location. Leaders: Please volunteer your choice of day/place, e-mail or phone me early in the week, and I will post it on the Yahoo group. To sign up for the Yahoo Group, send an e-mail to: ColoradoBicyclist-subscribe@yahogroups.com

Questions: Contact Melba Bouquet, melbabo9@q.com or 720-493-0564.

Weekday Skiing with DBTC

Lin Hark and Sue Frakes will be leading weekday ski trips to Loveland this season. If you would like to join these trips you will want to be on the Yahoo Group list. Usually Loveland has the Ski Hooky Days which are the second Thursday of the month, December – March.

Watch for updates and more info in the Yahoo Group emails. There may be some snowshoe and cross country ski days too, so watch for these too.

To join the Colorado Bicyclist Yahoo Group send blank email to ColoradoBicyclist-subscribe@yahogroups.com).

Tentative ski dates: December 10, 2015 Loveland Ski Hooky Day See you on the slopes!

If you would like to get a group together to go to another area simply put it on **Yahoo** and/or **MeetUp**.
