Picnic

The summer picnic is quickly approaching - Saturday, July 9 at Wheat Ridge's Prospect Park. Be sure to complete your online registration no later than Tuesday, July 5. Mail-in registrations must be received by July 5 so we can give an accurate count to the caterer. Current members that register by the deadline can attend for only \$5 and your guests are welcome for \$12. Lunch will be served at 12:00 noon. The delicious catered meal will feature barbequed pulled pork, buns, baked beans, potato salad, fruit, dessert and lemonade. A veggie burger option is available with your registration.

If you happen to have some fun yard games, please bring them along. Picnic organizer, Linda Wheeler, is also looking for a few volunteers to help with serving and clean-up. Please contact her at 528tiernan@gmail.com.

Remember our second annual Bicycle Equipment Swap/Sale will be held in conjunction with the picnic. You know what they say: "One biker's trash is another biker's treasure". Be sure to mark your items with a price plus your name and phone number. Everyone is responsible for displaying their items, collecting money and most importantly - taking home any unsold items.

Rider Courtesy and Safety

We are very fortunate to have an abundance of bike trails and bike lanes available in the Denver metro area. With a large percentage of our population at least occasionally being cyclists, most vehicle drivers are courteous and careful around bike riders. However, we are sometimes guilty of not returning the same level of awareness. Please be respectful representatives of DBTC and be cautious of where you choose to stop your bike so you're not impeding other cyclists or motorists. It's only

common sense to safely move off the the side of the trail or road. Isn't that what we expect others to do for us? Thanks for listening.

Ice Cream Social

Saturday, June 18 was a wonderful day in Frisco for some bike riding, barbeque eating and then Ice Cream, Ice Cream, Ice Cream to top it all off. With near record high temperatures in Denver, it was sure nice to be at 9,000+ feet elevation. Thank you to Steve Thomas, Lin Hark, Darlene Dietzler and Bill Sanders for leading rides and of course to Jeff Krinsky for taking photos. I can't wait to see his new photo postings.

Until next month... see you on the trails!

Bike to Work Day on Wednesday, June 22nd, 2016

Doug Schuler and Ellen Fitzpatrick manned our booth for the Bike to Work Day. Many members and some past members stopped by to say "Hello." People were delighted to discover that there is a bicycle club that offers multiple levels of rides throughout the city.

Doug had the new map on display and Way to Go at the booth next door was GIVING OUR MAPS AWAY! Since they had bought them from us, we were very pleased to get so many of our new, easier to read maps into the hands of riders (including me). Way to Go provides reliable, easy, environmentally-friendly, no-nonsense commuting options to Denver area commuters. waytogo@drcog.org is their website with information about commuting.

Nine riders then joined Patty Gaspar to ride through north Denver and down the Clear Creek path & back for lunch at My Brother's Bar. A perfect biking day – and no flooding, like we had last year!

THANK YOU to all who volunteered!

New Revised DBTC Cycling Maps Are Here!

Cyndy Klepinger

As cycling great Eddy Merckx said, "Ride as much or as little, or as long or as short as you feel. But ride." But how do you decide where to ride? Now, it's even easier with the NEW REVISED DBTC Cycling Map. The map highlights many of the new bike paths, lanes and routes available to area cyclists in

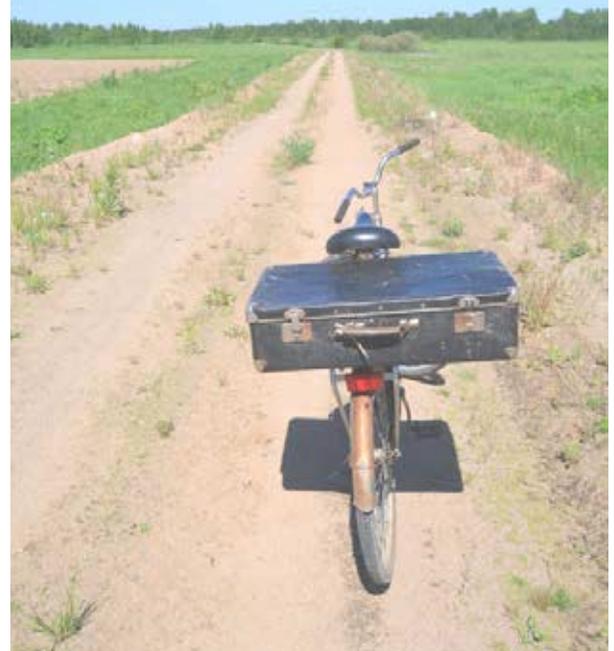

an easy-to-read format. This tool will help you find safe routes for commuting or recreational riding. But as we all know, new routes are being identified and marked almost on a daily basis; please share updates with us, so when the map is revised in the next year, your favorite new route will be included. Send changes or comments to info@dbtc.org.

Look for these new maps at your favorite bike store!

Traveling with your bike this season?

Do it the easy way... DBTC has hard-sided bike transport boxes that can be checked out to current members. Contact any Board officer for more information.

**OFF THE BEATEN PATH: TUCSON BIKE TRIP
NOVEMBER 14-19**

Monday – Sunday, with the El Tour de Tucson on Saturday
Tour Leader – Cyndy Klepinger

View from the Arizona Sonoran Desert Museum

From paths to open roads, the upcoming TUCSON BIKE TRIP promises to take you off the beaten path! Be prepared for some long distance cycling with expansive mountain vistas and peaceful desert scenery as well as cruising along the bike paths. Finish the week of riding by completing the El Tour de Tucson presented by Casino del Sol.

NOW IS THE TIME TO REGISTER!

You should be an independent, intermediate level rider capable of doing your own tire and bicycle repairs if needed. You must be comfortable riding on roads with traffic!

On this small group tour of 12 – 14 individuals, you will have time to play as well as enjoy a couple of “can’t miss” local area rides through the natural beauty of the desert. One ride will be through the Saguaro National Park. Officially designated as wilderness in 1976, this park protects some of the most impressive forests of saguaro cactus. Although for many the symbol of the West, this mammoth cactus is only found here in the

Sonoran Desert. Another activity features a visit to the Arizona-Sonoran Desert Museum. The museum offers more of a “zoo” like atmosphere for an up close look at life in the desert. See more than 300 animal species and 1200 kinds of plants over the 21 acre property.

November is an awesome time of year to ride in Tucson with average highs about 80 degrees and lows in the mid 50’s.

On June 25th, Dan Z. was interviewed by reporter, Dan M. of the Whitefish, MT Pilot and showed off his Catrike 700s.

Interested cyclists are invited to participate in this Adaptive Cycling journey to help raise awareness and hope for HHT and stroke survivors. Join us for a week, a month, or anything in between... One space left for the whole journey, and more opening up in late June!

Along the way, we will stop at strategic locations to share with the local bike clubs, elected officials and media, as we demonstrate with Dan's fleet of Catrikes how cycling can bring freedom and greater health for those recovering from stroke.

On the return trip from Boston to Phoenix, Dan will stop in Denver again and looks forward to riding with us as a new DBTC member!

Follow us on facebook and Twitter as well as Dan's website, SpokesFightingStrokes.org as we blog our way across the US.

Grand County Getaway

July 21, 22 and/or 23

Come join Anne Gerleman, 970-531-7441,

for one, two or three days playing in the Winter Park-Granby area. On Thursday July 21st we will have a FUN/INT bike ride about 30 miles from Winter Park to Pole Creek Golf Course. On Friday, July 22nd, we will have a bike ride from Granby to Hot Sulphur Springs along rolling hills - my favorite ride. And on Saturday we will do a hike up the Second Creek Trailhead. Details of the rides and hike will be in the July newsletter. You are welcome to come up one day or come for all three. There are lots of other activities in the area so even if you don't want to ride or hike, you can enjoy a summer break in the mountains, including a picnic in the park in the evening.

If you would like to stay in the area here are three hotels with rooms available, but they are filling fast so you had better make reservations:

The Inn at SilverCreek 970-887-2131.

TrailRider Motel 970-887-3738

Little Tree Inn 970-887-2551

DBTC members are invited to submit events for this "Come Play With Us" forum as a method to share information and invite others to an upcoming adventure. Be advised these events are not sponsored or led by DBTC and therefore participants will not covered by the club's insurance coverage.

ICE CREAM SOCIAL!

Saturday, June 18

The Annual DBTC Ice Cream Social was on Saturday June 18, 2016 in Frisco, Colorado

It was an ice cream smorgasboard!!!

After the ride and before the Ice Cream Social, riders enjoyed the BAR BQ Challenge including the Pig and Duck Races.

Jim K from Adelaide, Australia rode with DBTC on a recent Cake Crumbs ride, and we were impressed with his solution for getting around locally. He bought the bike used and found the wheel for trailering his panniers at a community bike shop!

All nine riders received flags on June 14 for the second annual Flag Day Ride!!!

The DBTC MTB Group kicked off the Memorial Day Weekend on Saturday, May 28, 2016 with a great ride on the trails of Marshall Mesa, Dowdy Draw, and Community Ditch.

On the Summer Solstice Ride (left), four riders ignored the scary cloud situation and rode the HWY 36 Trail East and returned on the trails of Stanley Lake, Interlocken, and Rock Creek Village. (right) The next day, on the HWY 36 Trail West a fellow rider, at the scenic overlook makes use of a Dero Fixit stand—one of many more cropping up around the metro area.

New Relaxed Ride Waiver Policy!

By Kathy Stommel

You asked for a change and we listened! The Board has approved a change in the requirements for our social ride waiver forms. Starting immediately, any current DBTC member needs to only check "yes" to the membership question then provide a signature and legibly printed name on the waiver form. Ride Leaders are not required to collect phone number, email address or emergency contact information for members.

It remains mandatory, however, that any guest or non-member participant complete all information listed on our waiver forms so that our Guest Relations volunteer can invite those guests to become members.

Everyone is encouraged to carry emergency contact and critical medical information somewhere in their seat pack or helmet pouch. Please use the handy dandy cut-out card below if you don't already have a method to carry this information.

In the unfortunate event of an accident or medical emergency during the ride, the ride leader will call for the appropriate emergency response and any personal contact that the injured rider provides at the time.

We sincerely hope all members will appreciate the new relaxed waiver requirements!

Important Notice Re: DBTC Insurance Exclusions

You probably already knew that DBTC carries a liability insurance policy – but are you aware of the exclusions?

Our policy covers a wide-range of activities including cycling, hiking, snowshoeing, cross-country skiing and even our club meetings, luncheons and picnics. However, to keep the insurance rates at a reasonable level, the Directors have selected a plan that excludes international tours and “higher” risk activities – most notably downhill skiing and snowboarding.

DBTC does offer winter snowshoeing and cross-country ski trips. Participants on these trips are of course free to independently choose something other than the groups’ scheduled activities; however, the individual is then solely responsible for their own safety.

The most common question I'm asked as a coach is, "How can I get better at riding hills?" The answer isn't really a simple one, but I can distill it into three parts: 1) Change Your Gearing; 2) Change Your Weight; 3) Change Your Training.

- MTB P2.5, T3 8:00 AM sharp** Meet *Eric Esswein* (303 638-2300, mobile) in back of the Kum and Go convenience store south of Conifer at the corner of Kings Valley Drive and HWY 285. We will drive to Staunton State Park (5 min in car), go through the gate and park in the lower lot (junction of Staunton Ranch and Mason Creek trails), turn right shortly after you go through the ranger/pass building. From the Kum and Go I can take one person with a bike and I have a state parks pass. If you don't have a state parks pass, the entry per car is \$7.00. Wheels rolling at 8:45AM. THE RIDE: We will ride at a reasonable pace, making 2-3 stops along the way. The ride involves several nice sustained climbs and descents and an excellent flowy roll back to the finish. We'll roll from the lower parking lot at 8:45 am riding from the Staunton Ranch Trail to Marmot Passage, up and over Marmot Passage and down to the Davis Falls pond for a short break. We'll then ride Bugling Elk to Borderline take in the scenic view overlook on Bugling Elk (short rest break) then after a short climb up to a small pass, we have the fabulous ride down Mason Creek, back to the parking lot. Note: there are three short sections on this ride that require attention and are worth mentioning if you don't enjoy hanging your butt off the back of your bike while braking and negotiating somewhat steep terrain. While none are super technical and completely rideable, the short (< 50 feet) slickrock section at the top of Marmot Passage requires some attention as you descend over the rocks, just walk your bike down the rocks if you prefer. On the same trail about 10 mins. later, there's a section on the trail where a natural spring comes from a notable rock wall on the right of the trail. The water runs across the trail; to prevent erosion the Park has "armored" the trail (meaning large stones have been set in place to walk and ride on. Some of the gaps between these stones, or the stones themselves can present wheel traps, the stones can be slippery if wet. Just walk your bike down these section if you prefer. Lastly, a short (<100 feet) section of the descent on Mason Creek trail (about 1/2 way down the trail) involves a somewhat steep section of trail that includes loose rock, gravel and scree. Just walk your bike if you are uncomfortable descending and braking in this type of terrain. The rest of the ride is excellent singletrack. Remember to yield to horses and hikers and uphill riders have right of way over descending riders. THE DIRECTIONS: Get to Hwy 285 going south toward Fairplay, go through Aspen Park (the King Soopers shopping center is on right and then Conifer (the Bradley gas station and Staples shopping center are both on the right) and keep going straight south on 285 and after about 4 miles you will go under an overpass then down a short hill, the Kum and Go is obvious on the right. Turn right on Kings Valley Drive and look for my rig (Silver Toyota 4Runner, CO plates W8ST-DP with a Thule double rack on the back). THE FOOD and BEVERAGE: Bring high quality tailgate-type picnic food for post-ride sharing and camaraderie. Bring alcohol based hand sanitizer or wipes after the ride (and use them) before taking a handful of communal food. Bring appropriate quality beverages and a folding chair, although there are picnic tables available at the lower lot that we can use and a restroom. Bring a sun hat for post ride. Apply sunscreen before the ride. Link to map. <http://cpw.state.co.us/placestogo/parks/Staunton/Documents/StauntonStateParkMap.pdf>
