SPRING KICKOFF A BooCoo Good Time F'Sho!

Photo coverage on page ____.
Also on MeetUp and coming soon
to the DBTC website!

Welcome our New Weekday FUN/INT Coordinator, Merri Bruntz

I have been a member of DBTC since 2005. By 2006, I was leading rides after a ride leader suggested that perhaps I would like to lead rides since I enjoyed going on so many rides with the club. He was right and I have been leading rides ever since. I am also a veteran of several Ride the Rockies, riding in 2006, 2007, 2008 and 2012. After I rode over Trail Ridge Road in 2012 I then decided that my bicycle and I had climbed nearly every mountain pass in Colorado and we would never be able to "top" the experience. That also was the year that I rode over Independence Pass for the second time as well, so it was time for me to retire from RTR.

When I was still working I was envious of those who got to ride with the club during the week. Now that I am retired I'm thrilled to get to ride with the club during the week. Send in those rides and let's go have some fun.

Editor's Note: If you are planning a weekday ride other than Wednesday, please let Merri know so that she can ensure that your ride is included and that we don't have a similar ride scheduled at the same time. We want all of our leaders to have the best chance of a great turnout. WeekdayFunRides@DBTC.org.

Spring Kickoff: Fun People + Good Location + Great Food = Successful Event!

Thank you everyone who attended the Spring Kickoff dinner at Lucile's Creole Cafe on Saturday, April 9. We had reservations for 107, a slightly larger turnout than last year which shows the popularity of this type of event. Two pre-event rides also drew more participants than last year and both groups finished before the brief rain showers.

The program included a tribute to our departed friend, Don Pearson, with a number of people sharing personal stories. We honored Gordon Valentine as our first Legacy member so that he can continue enjoying the fellowship of the DBTC family. Congratulations to Mary Stewart as the big winner of the quarter game - with the large turnout that was quite a haul! Ride Leader packets were introduced and quite a few members took advantage of the opportunity to take one home.

Congratulations to Event Chairperson, Linda Wheeler, for a successful event and thanks to the volunteers, Joe Stommel, Steve Thomas, Ellen Fitzpatrick, Melba Bouquet, Cyndy Klepinger, Lise Neer, Jeff Krinsky and Dick Shelton for helping things to run smoothly. Be sure to check out the photo album posted on the DBTC website.

Ride Leader Packets are still available!

These useful kits include everything you need to get started (or continue) as a ride leader. We have included four waiver forms, ride leader guidelines, membership forms, business cards, CPR & First Aid instructions, incident report, a clipboard and tire patch kit - all wrapped up nicely in a bright orange string-type backpack bag.

Ride Coordinators, Vice President Cyndy Klepinger and I all have a supply of extra kits just waiting for you! Contact any one of us, pledge to lead four rides this year and make arrangements to pick up your very own ride leader kit.

Welcome Merri Bruntz as new Ride Coordinator!

The Wednesday Fun Ride Coordinator position has been officially vacant for quite a while with Patty Gaspar filling in on top of her other numerous volunteer jobs with DBTC. Now our always prolific ride leader, Merri

Bruntz will be taking over with a title change to Weekday Fun Ride Coordinator which better fits the increasing number of social rides being scheduled throughout the week, not just Wednesday. Thanks Merri for stepping up to this position.

Well folks - the ride season is just getting started and our calendar of social rides is looking great. Please take advantage of our wonderful Colorado weather and pick a date to ride with your fellow DBTC members. Until next month - Happy Trails!

“The bicycle was the last advance in technology everybody understands. Anybody who can ride one can understand how it works.”

– Stewart Parker, Spokesong

VOLUNTEER AT THE BIKE EXPO

Cyndy Klepinger

Need volunteers to help staff the DBTC booth at Colorado's largest consumer bike show, the Primal Colorado Bike Expo outdoor venue to be held at Sports Authority Field on Friday, May 13 and Saturday, May 14.

If you have two hours to help promote the DBTC and cycling, either on Friday, noon – 7 p.m. or Saturday, 9 a.m. – 6 p.m., contact Cyndy at vicepresident@dbtc.org. It promises to be a great opportunity to get involved!

Here's more information about the Expo; In its second year, the Primal Colorado Bike Expo will be held in conjunction with the Kaiser Permanente Colfax Marathon Health + Wellness Expo going on simultaneously which will attract over 30,000 athletes to Sports Authority Field during those two days. The 2016 Bike Expo will be free and open to the general public, and will be held in parking lot J, just West of the stadium and feature over 100 bike exhibitors presenting the latest in bikes, gear, nutrition and lifestyle offerings.

Billed as the official kickoff to the cycling season, this celebration of bikes and community will provide recreational riders, cycling enthusiasts, roadies, mountain bikers and athletes the opportunity to learn about the latest products, consumer trends, organized rides, competitive races, clubs, teams, advocacy groups and cycling destinations.

New for 2016 will be live music, a beer garden, expanded kids zone and a demo and test area for riders of all ages and abilities. Bike valet parking will be provided by Wish for Wheels adjacent to the Bike Expo.

Meet Lin Hark (303-578-9369) at 'Bout Time Bar and Grill at River Point across from the Regal Cinema 14 Theater. We will ride from the Bear Creek/ South Platte River Confluence to Sports Authority Field along the South Platte River Trail to the Primal Colorado Bike Expo at Sports Authority Field. Lin rides at a slower pace of around 10-11 mph.

**OFF THE BEATEN PATH: TUCSON BIKE TRIP
NOVEMBER 14-19**

Monday – Sunday, with the El Tour de Tucson on Saturday

Tour Leader – Cyndy Klepinger

You will experience an unforgettable week of expansive mountain vistas, peaceful desert scenery and extraordinary bike rides, including the popular **El Tour de Tucson** presented by Casino del Sol Resort! The event is for cyclists of all ages and abilities who ride 104, 75, 55, 40 or 25 miles.

View from the Arizona Sonoran Desert Museum

On this small group tour of 12 – 14 individuals, you will have time to play as well as enjoy a couple of “can’t miss” local area rides through the natural beauty of the desert. One ride will be through the Saguaro National Park. Officially designated as wilderness in 1976, this park protects some of the most impressive forests of saguaro cactus. Although for many the symbol of the West, this mammoth cactus is only found here in the Sonoran Desert.

Another activity features a visit to the Arizona-Sonoran Desert Museum. The museum offers more of a “zoo” like atmosphere for an up close look at life in the desert. See more than 300 animal species and 1200 kinds of plants over the 21 acre property.

November is an awesome time of year to ride in Tucson with average highs about 80 degrees and lows in the mid 50’s.

for Bike To Work Day**

Bike to Work Day in Colorado is Wednesday, June 22nd!

Doug Schuler

Bike to Work Day is a national event to celebrate alternate transportation. You can go to <http://biketoworkday.us/> for more information. DBTC will again have a table at the event so stop by to wander Civic Center and have breakfast - there are usually lots of vendors giving away food. If you can, I need 2-3 people for an hour shift. 6:30-7:30, 7:30-8:30, 8:30-9:30. dougschuler@comcast.net.

We will have a ride starting at 9:30. Leader and route to be determined. If you would like to be the leader, please contact Patty at ridecoordinator@dbtc.org.

Just a thought. Last year we had a flood along Cherry Creek when there was a downpour at 5:00 PM, just when all those riders were heading home. A couple of our members had to climb out of the channel to keep from being swept away. Details in last year's July newsletter.

Come ride the Subaru Elephant Rock

...on June 7 with me. Registration is now open, and please feel welcome to call or email me as I'm a 2016 ERock Ambassador and can offer you a discount registration code. The Elephant Rock is a popular cycling event in Rocky Mountain Region and is the unofficial start of the Colorado cycling season. For more information on the ride, go to www.elephantrockride.com. I'm also hosting training rides on April 14 and May 16, see the calendar for details. Cyndy Klepinger (303) 725.1565 or matilda8@msn.com

DBTC members are invited to submit events for this "Come Play With Us" forum as a method to share information and invite others to an upcoming adventure. Be advised these events are not sponsored or led by DBTC and therefore participants will not be covered by the club's insurance coverage.

Important Notice Regarding DBTC Insurance Exclusions

You probably already knew that DBTC carries a liability insurance policy – but are you aware of the exclusions?

Our policy covers a wide-range of activities including cycling, hiking, snowshoeing, cross-country skiing and even our club meetings, luncheons and picnics. However, to keep the insurance rates at a reasonable level, the Directors have selected a plan that excludes international tours and "higher" risk activities – most notably downhill skiing and snowboarding.

DBTC does offer winter snowshoeing and cross-country ski trips. Participants on these trips are of course free to independently choose something other than the groups' scheduled activities; however, the individual is then solely responsible for their own safety.

Dan and his team are on Facebook, Twitter (@DanTrikeman) and SpokesFightingStrokes.org

This year's tour will traverse the country from Anacortes, WA to Boston, MA. Interested cyclists are invited to participate in this Adaptive Cycling journey to help raise awareness and hope for stroke survivors. Join us for a week, a month, or anything in between...

Along the way, we will stop at strategic locations to share with the local bike clubs, elected officials and media, as we demonstrate with Dan's fleet of Catrikes how cycling can bring freedom and greater health for those recovering from stroke.

On the return trip from Boston to Phoenix, Dan will stop in Denver again and looks forward to riding with us as a new DBTC member!

Follow us on facebook and Twitter as well as Dan's website, SpokesFightingStrokes.org as we blog our way across the US.

Inaugural Spring Training Mellow Ride with Donald Schmetz. Perfect weather, just chilly enough for all the climbing!

Expanded Weekday Schedule

Patty Gaspar

Monday: Wayne Tomasello will again lead his Monday rides throughout the metro area. Wayne's rides are at a pleasant pace with lunch always following. A nice, social way to begin your week.

Row Helman has invited club members to join her on **Boomers on Bikes**. It appears that they will make you work much harder as these rides are at the INT level and go much farther and faster than the rides we have been offering during the week. If you want a challenge, this looks like the place to go.

We will continue to have our **Weekday FUN/INT with a new ride coordinator - Merri Bruntz**. Merri is a retired physician who put "making sure that there is an interesting ride on Weekdays for [me] to go on" as one of her goals. Let's all help her by volunteering to lead, or just by joining her.

Melba Bouquet will continue with her group of **"Roses"** riders. This is the perfect place for anyone who wants to "stop and smell the roses." They have one rule – the last person to the rest stop determines when it is time to go.

MTB riders have a Show and Go every Wednesday to take advantage of our beautiful summer evenings.

Cyndy Klepinger wants to train for some of the upcoming tours and event rides. Wednesday doesn't work for her so she is leading rides on various days at different levels. Many of her rides are **longer than the usual rides**.

Dick Shelton has invited us to join **Bicycle Aurora on Thursday nights** throughout the summer for a 6:00 PM bike ride followed by dinner at the brewery next door. If it rains or is too hot to ride, no problem. Riding on those perfect summer evenings after a full day at work is the best way I can think of to relax.

Even **Jeff Krinsky** has added a **Tuesday** and a **Thursday evening ride** this month. Since Jeff went back to work we have missed him during the week, but greatly appreciate all the rides he leads on weekends.

Cycling Tip:

By sliding rearward or forward on the saddle, you can emphasize different muscle groups. This is useful on a long climb as a way to give various muscles a rest while others take over the work. Moving forward accentuates the quadriceps, while moving back emphasizes the hamstrings and glutes.

There are both exposed plateau and shaded forest sections. A few stream crossings and couple of short, moderately technical sections add interest, although one potential hike-a-bike section can be avoided by a 0.2 mile easier detour. The first part of the trail generally climbs to the high point on the west side of the Academy grounds, about 1,400 feet above the start of the loop. From there, the rest of the loop is mostly downhill, with a few climbs to keep you honest, back to where you started. THE TIME: 11:00AM (WHEELS ROLLING! PLEASE ARRIVE EARLY ENOUGH TO START AT THAT TIME.) THE DIRECTIONS: Take I-25 south to exit 156B (Air Force Academy, North Gate); drive west on Northgate Blvd. approximately 1 mile; bear left onto Stadium Blvd.; drive south on Stadium Blvd. for about 1.3 miles; turn right onto Academy Drive and go west for about 0.5 miles; bear right into the Falcon Trail parking lot. MTB P2, T2, North Fork Trail THE RIDE: This ride starts at the main Reynolds Park parking area and goes south about 10 miles to the South Platte Hotel. This is a shuttle ride. There is 1,800 feet of fairly easy climbing and lots of wonderful downhill in the north to south direction. We will walk the first ¼ mile of very steep trail. The ride leader is *Dick Plastino* (303-988-5359). THE TIME: 10:30AM (Note that, because of the shuttle, this is NOT a wheels rolling time, but rather the time the shuttling will begin. Therefore please still arrive early enough to have yourself and your bike ready to go at 10:30AM, because that is when the shuttling will begin, with the ride to commence just as soon as the shuttling is completed.) THE DIRECTIONS: Take Hwy. 285 to the west side of Conifer and continue past the interchange that is signed "Conifer Town Center Parkway." About 1.0 miles past that interchange, look for a sign that says "Kennedy Gulch/Foxton Road." Turn right there, go to the stop sign and turn left onto Foxton Road. Go about 5 miles to the main Reynolds Park parking lot on your right. It is hard to see from the road, so look for a pedestrian crossing sign. There is one entrance before the sign and one after. (These are directions for those who want to ride one way north to south and use a shuttle arrangement. Dick strongly recommends the one way ride. He will be there to organize the shuttle of cars.) THE FOOD: Bring tables, chairs and food for a parking lot picnic at the main Reynolds Park parking lot. THE FINE PRINT: For those who would prefer a non-shuttle, RIDE OPTION (from hell): Continue past the parking lot for 3 miles to a stop sign. Turn left and follow the Platte River for about 5.74 miles to the South Platte Hotel and park on the left side of the road across from the hotel. The trailhead is across from the hotel. You'll grunt your way up over 3,000 feet of vertical and then turn around and come back. Ugh!
