## Metric Century Returns!

It was a great cycling day at Lions Park in Golden on Saturday, October 1st for the 2016 version of the DBTC Metric Century – and accompanying shorter distance rides! There were four rides to choose from:

**The “Full Deal Metric +” ride of 67 miles**

led by Jeff Krinsky and Cyndy Klepinger

**The “Mini-Metric” ride of around 40 miles**

led by first-time ride leader, Lauren Delle

**A “Fun” ride of approximately 24 miles**

led by Dave Noble

Last, but not least, a **“Roses” ride of approximately 15 miles** led by Jill McMahan

We figured the staggered start times almost perfectly as three of the rides finished within twenty minutes of each other; although the final ride arrived less than an hour later. The DBTC Board furnished trail mix and bars for riders to take along on the rides. Upon returning to the park, a smorgasbord of yummy sandwiches, chips, fruit and cookies was waiting.

A little birdie told us that Patty Gaspar was celebrating a very special birthday; although she quickly pointed out this was NOT the big 7-0. Patty sported a big smile as about 50 fellow DBTC members sang “Happy Birthday” to her.

The day was a huge success as we had 52 riders total on the four rides and another handful of folks who showed up just in time for the picnic. THANK YOU to all the ride leaders for making the event and THANKS to the DBTC Board for furnishing the pavilion rental, treats and lunch. Let's do it again next year!!

See photos on page 6, plus more at [DBTC.org](http://DBTC.org)

**NOTE:** The November Board meeting will be held at the Cherry Creek Holiday Inn immediately following the VRL; there will be no Board meeting in December.

## The President's Page

### Kathy Stommel

It's been a great year with DBTC, wouldn't you agree! As I wrap up this second term as your President, let me say it's been a pleasure. This club has many wonderful, fun members and I've enjoyed meeting so many of you and learning more about the fantastic bike routes ready to be explored.

## Volunteer Recognition Luncheon

Be sure to get your reservation completed for the 2016 VRL to be held on Saturday, November 12 at the Cherry Creek Holiday Inn on S. Colorado Blvd. Doors open at 11:30, lunch served around noon and then a great program following. Again this year, we are pleased to have Neil Hanson as our guest speaker. Neil is a fellow cyclist and has written two books about his journey across the US. The most recent book, *Pilgrim Spokes*, details the second half of the trip from Kansas to the east coast.

Of course, the main purpose of this event is to honor the MANY volunteers that make DBTC function - Board of Directors, Ride Coordinators, Ride Leaders and the numerous volunteer staff. Remember, if you led five or more rides in 2016 or an out of town tour, your entry is complimentary; just be sure to use the special code that was emailed to you recently. If you have any questions about your eligibility, please contact Patty Gaspar, Director of Rider Activities, [patty@gasparjones.com](mailto:patty@gasparjones.com).

## Metric Century Ride

Thank you to everyone that showed up for the resurrection of the Front Range Metric Century route and associated shorter rides held on October 1. We hosted four different rides ranging from about 15 miles up to 67 miles. A total of 52 riders participated and a few others showed up simply to enjoy the socializing and of course delicious lunch provided by DBTC.

### In closing

It's been a very busy two years for me, serving on the Board and becoming an official DBTC Out of Town Tour Leader. I am excited about my new duties as the Out of Town Tour Director as I try to follow in the footsteps of Ellen Chilikas who is stepping down.

## CLASSIFIEDS

### Bike Pannier for Sale

Simplify your commute with this bicycle garment bag pannier, made by Performance. Just take your hanging garments out of the closet, insert them in the bag, fold it over your bike's rear rack and secure it with the integrated attachment system. Stash your shoes in the outer side pockets. Use the upper pocket for toiletries and other essentials. Carry this bag into the office using the handle on top or throw it over your shoulder using the included strap. Bought several years ago, never been used.

\$30. Contact Cyndy, 303.394.4962 or matilda8@msn.com

### DBTC Jersey for Sale

One size medium for sale. It's simply way too big for me, I'm 5'4" and slender. It is unisex medium, and we all know that really means men's medium. This jersey is good for a wide range of body types, both male and female. I bought it thru DBTC for \$60.94 total, of course including tax and shipping. Because it is unused, has original tags, and is in original packaging, I'd like to sell it for as close to that as you'll allow for fairness. Please contact epblum@aol.com or 303.758.7711.

## Meet our Board Candidates

### Clark Wilson

Clark is a new member of DBTC, having joined the club earlier this year, and we are fortunate that he has volunteered for the Board of Directors.

Clark has been active with DBTC road and mountain biking events. He gets plenty of time in the saddle with year-round commuting throughout the Denver metro area. In his spare time, it's more biking on self-supported tours and mountain biking in Colorado and Utah. He has also raced in US Cycling Federation sanctioned events here in Colorado.

His list of volunteer experience includes:

- Lead mechanic for Bikes Together Community Bicycle Shop
- Treasurer for Denver Free Spanish Network
- Senior Partner with the Denver Partners Mentoring Program

Clark has a wide range of interests – reading, travel, camping, hiking, Spanish conversation, cooking and of course Eating !! His main goal for DBTC is to maintain a spirit of adventure, fun and friendship.

### Helen Berkman

Greetings DBTC! I've been a member of DBTC about 5 years, but I've been more active since I retired from DIA's Legal Office 2 ½ years ago. I've been cycling since I moved to Colorado 40 years ago from Wisconsin, including biking vacations in France, England, Portugal, Spain, Denmark, Austria, and of course, Colorado. I've been a ride leader for two years and most recently led the Tour the Vineyards out-of-town trip in August. I am pleased to offer my organizational skills and love of cycling to the DBTC Board.

Incumbent Board members who will accept another two-year term: Scott Houchin, Steve Thomas, Jeff Krinsky

**Voting will take place at the Volunteer Recognition Luncheon in November, via show of hands by the members present. Election results will be announced in the first newsletter issued subsequent to the election.**

## COME RIDE WITH US!

*This is a new section for you when you are planning something and would like to invite others to join you. It is not advertising for tours unless YOU, a member, are going. Please keep your post to a single paragraph and include a link to the tour details or your home email so people can contact you.*

### Viet Nam in February

Bruce Kohl

I just booked a bicycle trip to Vietnam next February 9th - 24th 2017. I'm going from the 3rd to the 28th, to take in Halong Bay and other adventures. Using Pedaltours of New Zealand for 15 days of riding. I did this ride in 2010 but a close friend wants to do it, so I signed up again. It is one of my favorite rides. I would like to invite others to join me for an unbelievable trip. Basic trip is \$4000.00. A visa is required. Check out Pedaltours web site for more information, or ask me. Bruce Kohl k9999kohl@aol.com.

### Cuba with Richard Gieseler

That pesky Richard Gieseler finally is ready to host a Cuba trip introduction. The election is over, thank God, and we can focus on fun. Southwest and Frontier will have flights to Havana. David of ibike and Pedro of Atenas de Cuba have hooked up again to offer trips. I compared prices on 12-14 day tours with Road Scholars and ibike. Ibike shows less than half the Road Scholar price. And, I traveled with ibike (for more info: [www.ibike.org](http://www.ibike.org)) and Pedro for 13 days in 2003. That's the trip I'll tell you about and show the pictures and tell more stories. Let's go to Cuba and you can tell your own stories!

Buchi Cuban Restaurant 2651 W. 38th Ave. Saturday November 19 from 3 to 5 pm will give us a taste of Cuba. It's just east of the corner of Clay and 2 blocks east of Federal on the north side of 38th. Why 3 to 5? Buchi closes every day at 6 pm. I will be there to show ads, pictures, a big map and make plans for a trip. The restaurant has good Cuban sandwiches for sale at about \$8 to \$12. Cuban coffee costs about \$2.50 to \$6.50. Their website is [BuchiCafeCubano.com](http://BuchiCafeCubano.com). RSVP to Richard 303.722.1472 [rgizler@gmail.com](mailto:rgizler@gmail.com) and bring your questions and your enthusiasm.

*DBTC members are invited to submit events for this "Come Play With Us" forum as a method to share information and invite others to an upcoming adventure. Be advised these events are not sponsored or led by DBTC and therefore participants will not covered by the club's insurance.*

## Wednesday "Roses" Group

These hardy riders continue all winter. Wednesday's "Roses" rides are 15-20, SW, 11:00 AM. "Roses" will meet when the temperature is 50 or above and trails are clear, for "Show and Go" rides from Reynolds Landing ( 1 mile north of Carson Nature Center, at the signal, turn west onto Brewery Lane, and go all the way past the Brewery to the end.) Riders attending will determine route. Bring a snack and money for lunch at a favorite restaurant after the ride. Questions? Call Melba Bouquet 720-493-0564. On sunny, calm days, we will ride when temps are in the high 40s or above. They use the DBTC Message Board to let you know if there is a ride each week.

## Meet-Up Reminder

Did you know many of the club's activities, including last-minute rides, are posted on the popular Meet-up site? If you're interested in

learning what's happening by getting reminders, sign up for Meet-up today! We have over 630 members – and it grows every day. Remember, it is still better to plan ahead and get your ride into the monthly schedule. The coordinators are listed on page 2 of the newsletter.

Posts cannot compete with a ride scheduled in the newsletter. To receive credit for posted rides you must be a DBTC member and submit a completed Waiver Form (available on the website) with at least 3 attendees to [ridecoordinator@dbtc.org](mailto:ridecoordinator@dbtc.org).

Many of our members love winter sports and want to continue enjoying the outdoors with their DBTC friends. The DBTC Message Board will be our main means of communication through the winter months. If you'd like to post an event, simply go into the site. Remember not all members have email so if you have it in the newsletter all members are notified.

**Rides are cancelled** if the temperature is below 40 degrees at start time or it is raining or snowing. Be ready to start at the time listed – tires pumped up and bike ready. The ride leader is not a mechanic so if your bike needs repair, please take it to the shop.

**Ride Locator:** There is a guide to the most frequent start locations on our website – [www.dbtc.org](http://www.dbtc.org). It provides the information you need to use Map Quest or Google Maps to make a map to the starting location.

## DBTC's E-Mailing Lists

Get late breaking news, last minute ride updates, and short-notice of weekday rides, all e-mailed directly to you as soon as the information is posted. If the weather is "iffy", a ride leader can post a notice to let you know if the ride will go or be cancelled.

MeetUp is open to the public and can increase the number of riders on your rides and, hopefully, club members. Rides cannot conflict with the ride schedule. If you have registered with MeetUp, we will post your scheduled rides. **We are also on Facebook** if you want to share pictures or bike related news.

The DBTC Website operates independently from the Yahoo Groups. The Yahoo Groups send only e-mail messages concerning some upcoming events. The DBTC monthly Newsletter, The Colorado Bicyclist, is sent to you from the DBTC Website via e-mail only if you have so requested.
